Members' Monthly Draw

This draw is an attempt to raise much needed funds for the project, as well as giving members the opportunity to win cash prizes.

How does it work?

You make a monthly contribution by standing order, for other payment options see below. For each £1 per month that you contribute you are allocated a unique number - £5 per month gets you 5 numbers, £10 per month gets you 10 numbers etc.

Half the contributions go in prizes, with monthly prizes currently of £50 (1st), £30 (2nd), £20 (3rd).

How will the prizes be drawn?

During the first week of the month the winning numbers will be drawn. Only members who are in the draw by the end of the previous month will be eligible, and only members who have been in the draw for the previous 6 months shall be eligible for the jackpot draw. Winnings will be paid directly into the bank account on your Standing Order form unless otherwise requested.

How will the prizes be drawn?

It could not be simpler! Either

1. Fill in the attached Standing Order, giving details of your bank, account number, name & address, current membership number and return your completed form to me at the above address or
2. Send a cheque, made payable to LNER (GC) Heritage Trust covering £1 per number for 12 months and return your completed form to me at the above address

As soon as your Standing Order or cheque has been received (and cleared) you will be allocated your lucky numbers and notified accordingly, then you will be entered into the next draw.

You may withdraw from the draw at any time in writing to myself at the above address or by email lnergcmembership@btinternet.com.

Best regards and good luck!

Karen Sharpe
